

**METRONOME TECHNOLOGIE, GLOBAL LEADER IN HIGH-END DIGITAL SOURCES,  
COMPLETE THEIR AQWO RANGE WITH TWO NEW DEVICES: t|AQWO and c|AQWO**

After 2 years of research and development, Métronome finalizes their new AQWO range with two new products: a SACD/CD transport and a D/A converter, respectively named t|AQWO and c|AQWO. A sleek design combined with the unmistakable touch of Métronome style makes t|AQWO and c|AQWO stand out highlighting elegance, visual purity and robustness. The outstanding analog Métronome sound is based on the combination of exceptional components and the excellence of the Elektra external power supplies.

**t|AQWO, SACD + CD Transport**

The top-loading SACD/CD Transport t|AQWO is based on a professional drive mechanism with proprietary improvements. It will read your CDs and SACDs by bringing out every single detail from your discs and delivering fantastic audio performance.

Retail price = 19,900.00 euros

**c|AQWO, D/A Converter**

The high-end converter c|AQWO uses 2 internal conversion processors (AK4497, 32 Bit/768 KHz) -1 per channel. c|AQWO decodes DSD in native form up to 512 and provides excellent precision combined with aerial sound reproduction loyal to the Métronome sound.

Retail price = 19,200.00 €

*Both models are available in silver and black finishes.*

MÉTRONOME  
LE SON VRAI

Jean Marie Clauzel, Owner and Designer, emphasizes that : *“Developed from scratch by our internal design office, these new products are the results of my decision to completely renew the product ranges of Métronome. We launched the AQWO in 2018, and it took one more year to finalize the top high-end Transport and D/A Converter. We made our very best so that these two devices are worthy successors to T8 and C8 legendary products !”*

## MAIN TECHNICAL SPECIFICATIONS

### t|AQWO

**Pick-up Mechanism:**

D&M SACD mechanism

**Digital Outputs:**

AES/EBU, S/P DIF, Toslink, HDMI I²S

**Touchscreen:**

21/9 – 6

**Elektra Power supply:**

3 toroidal transformers with 7 regulation lines

**Other characteristics:**

Consumption: 60 VA Max

Dimensions (WxHxD): 430 x 120 x 420 mm; 12 kg

ELEKTRA : 430 x 80 x 420 mm; 12 kg

### c|AQWO

**D/A Conversion:**

1 AK4497 conversion processor per channel

**Digital inputs :**

USB, HDMI IIS, AES/EBU, S/P DIF, Optical

**Touchscreen:**

21/9 - 6

**Analog outputs:**

Balanced + unbalanced 1.4 / 2.5 / 3V RMS

**Elektra Power supply:**

4 transformers feeding 11 regulation lines

**Other:**

Dimensions 430 x 120 x 420 mm, 12 kg

ELEKTRA : 430 x 80 x 420 mm, 14 kg

**About Metronome Technologie: Over 30 years of innovation in sound reproduction.**

Métronome is a French high-end audio manufacturer. Our aim is to offer audio enthusiasts a universe where the sound is king, where it is real. Designed and hand-made in France, our products will satisfy most discerning music lovers with incredible technical performances and quality of sound, approved by international reviewers.
